Kate Kinsella, Ed.D. is a teacher educator in the Department of Secondary Education at San Francisco State University. She teaches coursework addressing academic language and literacy development in linguistically and culturally diverse classrooms. She publishes and provides consultancy and training nationally focusing upon responsible instructional practices that provide second language learners and less proficient readers in grades 4-12 with the language and literacy skills vital to educational mobility.

Participants will Learn Effective Ways to:

- Engage ALL Students in Academic Discussion
- Accelerate Language Development for EL's
- Enhance student reading comprehension
- Pace Instruction to ensure English Learner and striving student success
